

# REMAT Early Years Literacy Curriculum 2022-2023 (Intent)

**Through our Literacy Curriculum, we aim to:**

- provide a rich language environment
- grow the bank of vocabulary heard and used by children
- expose children to high quality literature
- develop a love of reading
- help children build a repertoire of familiar stories, rhymes and poems
- increase the amount of tier two vocabulary children are exposed to
- give children a wider range of experiences through stories
- promote diversity and exposure to the wider community

# REMAT Early Years Literacy Curriculum

## 2022-2023 (Implementation)

The EYs literacy curriculum is a combination of favourite five texts, nursery rhymes, poetry time and talk through stories planning.

Under 2s will focus on nursery rhymes and plan based on this.

Pre-Nursery classes will base their planning on favourite five texts, nursery rhymes and life events. These can be fluid and used to plan focused activities or enhancements. Books can be used as a focus for however long they lend themselves to learning opportunities.

Nursery will use Talk Through Stories Story time planning for TTS focused weeks. When the input is focusing on Maths, favourite five books will be shared during story time across the session. When the focus is favourite five, one book should be focused upon for that week. This book should be a book that lends itself to a wide range of learning opportunities and follows the interests of the class.

Pre-nursery and Nursery will have a half termly nursery rhyme week. Staff can choose how to plan this based on their class. This can be a focus on 1 or 2 nursery rhymes or a nursery rhyme a day. Nursery rhymes for each half term are shown in this document.

Pre-nursery and Nursery staff should plan enhancements and activities linked to the weekly focus. These can focus on communication and language, mark making etc.

Reception will use Talk Through Stories Story time and vocab time planning for TTS focused weeks. Favourite five books will be shared during story time across each half term. When the focus is favourite five, one book should be focused upon for that week. Poetry time planning is provided for poetry week.

Reception staff will plan mark making and writing opportunities for children when their phonics skills are appropriate to do so (e.g. children in Ditty will be able to begin to write cvc words). This might not be until later on in the year.

All classes should ensure children have repeated exposure to Favourite Five texts each half term and their knowledge of these books is strong. These books can then be added to each half term, with the aim of children having 30 familiar texts by the end of each year. These books should be on display in the classroom, so children can access them in the reading area.
